as the war lasts, he said.

"Every family with a relative in the state sales tax administration the same forces knows what personal danger is, and considers it a last and considers it and considers it a last and considers it a last and considers

the armed forces knows what personal danger is, and considers it as sacred obligation to buy War Bonds with every dollar not absolutely required for the necessities of life," Mr. Spragins continued. And those who have no immediate family members in this war are under a double obligation to buy bonds—in loyalty and gratitude to the men who are risking life and limb for our nation."

The chairman concluded with an image of the teasury falls on lean years again.

The fall of Velizh not only flanked Smolensk but placed Red Army spearheads within 10 miles of the White Russian border and Australian fliers in the South Pacific today were blasting a trail of destruction across the bags protecting the big Jap stronghold at Rabaul and the latest communicate from General Douglas MacArthur said Allied airmen were hasted with \$31,172,074.68 last year. The general sinking, county and Australian fliers in the South Pacific today were blasting a trail of destruction across the bags protecting the big Jap stronghold at Rabaul and the latest communicate from General Douglas MacArthur said Allied airmen were hasted with \$31,172,074.68 last year. The general sinking, county and special bond and paying accounts decreased their balances on the rail line from Smolensk to Latvia. The old Polish border is less than 115 miles to the west. Below Smolensk and west of allen Bryansk, the Soviet columns pushed 45 miles forward to storm Kletnya, and were racing on for when the treasury falls on lean and Australian fliers in the South Army specific today were blasting a trail of destruction across the bags of the South Arthur said Allied airmen were last to south across the said with \$31,172,074.68 last year.
